Dear [Tony],

Good afternoon. Last night we (the Elders and Staff) met and talked and prayed fervently regarding this matter. It certainly took us all by surprise.

We are going to meet again next Wednesday night to work further on this serious situation.

Due to the large volume of materials that you sent and the fact that not one of us were involved in the events that occurred over 30 years ago, please give us time to proceed ahead in view of Matthew 18:15-35. A time of fasting and prayer will accompany our decision-making in this grievous matter.

Sincerely In Christ Our Lord,

Pastor Ross W. Bacon
