

Mailing List (partial) for 19 Page Letter of Libel by Bill Gothard

The list below is NOT a complete list by any stretch. Bill Gothard must be asked to supply from his personal file, and/or the Institute file, the corporate copy of this letter and the corporately owned mailing list used at the time for the wide distribution of this letter. That list must be reviewed and must be included in the distribution of a second letter of any recantation, correction, and apology.

The 19 page letter itself acknowledges that this letter was mailed to every person listed in the letter. We also know that many received this letter directly from Gothard as witnessed by the personal cover letter Bill Gothard wrote to the unsuspecting Dad and step-mom of Tony G, from which they never fully recovered.

A partial list of those who were sent this letter include:
