NOTE: Copies of these letters are being sent to you as yet another step in an effort to persuade Rev. Gothard and the Institute Management to submit to an independent committee. The purpose of this committee would be to examine all aspects of the Ministry. If certain rumors are true, they must be dealt with openly and honestly. If these many rumors and innuendo are false, the object of same should be exonerated.

The Word of Christ is everybody's concern.

Thank you for your concern.
